

Competition to design a new mascot for SignHealth!

Do you like drawing and designing? Do you have great ideas? We need your help. The Deaf Health Charity SignHealth turns 30 this year. To celebrate we want you to help us design our new charity mascot. The mascot will be used across the charity but especially for sign2sing, our annual fundraising and awareness event.

Let your imagination run wild and have a go at designing a fantastic mascot. The winning design will win a super stationery pack and a special sign2sing visit to their school by the mascot.

You can be as creative as you like but...

- Your mascot must have a face
- Please think about a design that will be appealing to children of all ages
- The character needs to be able to use sign language so it will need hands
- The mascot can be human, animal or something else!
- The mascot will be used in a variety of different format: costume, digital and in printed materials
- You can design it on paper or electronically (*pdf or jpeg formats only*).

Send your entry to:

sign2sing@signhealth.org.uk (*pdf or jpeg formats only*).

Or post to:

SignHealth Mascot Competition
